## San Jose Medical Group

Members who select a SJMG Primary Care Physician must be referred to a SJMG specialist. If you are required a type of specialty that is not in the SJMG network, your Primary Care Physician will work with Valley Health Plan to identify an appropriate participating specialist. Hospital care will be provided at those facilities where the admitting physician has privileges.

## Santa Clara Valley Medical Center

Members who select a SCVMC Primary Care Physician must be referred to a Community Clinic specialist. If you are required a type of specialty that is not in the SCVMC network, your Primary Care Physician will work with Valley Health Plan to identify an appropriate participating specialist. Hospital care will be provided at those facilities where the admitting physician has privileges.
